

2026 Romance Travel University

DWHSA's 14th year!

Sept. 21-25
Iberostar Rose
Hall Beach
Jamaica

Network with 150 romance travel specialists at
DWHSA's premier annual conference!

You're invited.

The Romance Travel University is the official annual conference for the **Destination Wedding & Honeymoon Specialists Association (DWHSA)**.

We're the world's largest network of romance travel advisors, with more than 850 agents and planners in the United States, Canada, and other countries. Collectively, **our members book more than USD\$842 million each year** in destination weddings, honeymoons, and other trips!

DWHSA members include longtime agents who've sold other types of travel but who're new to romance travel, agents who are brand new to travel, experienced romance travel specialists who personally close millions of dollars each year on their own, and the owners and managers of large agencies and host agencies with dozens or hundreds of outside agents. DWHSA represents top romance travel producers from every major consortium as well.

The world's largest travel industry conference that focuses on the BUSINESS side of romance travel.

Why attend?

You'll meet a huge range of romance travel specialists from across North America. Our conference draws top producers from many different consortia and host agencies – Ensemble to Travel Leaders, Nexion to The Travel Agent Next Door, Signature to Virtuoso, Cruise Planners to Dream Vacations!

You don't need a trade show booth. Instead, you'll meet our advisors in scheduled appointments (Tuesday afternoon and Wednesday morning). They'll be seated at tables in small

groups (sorted by their productivity), and you'll rotate among the tables.

Also, you may sign up to be paired with small groups of up to 5 advisors for meals all day Tuesday and Wednesday so you can network with them more closely.

Best of all, **DWHSAs conference is the ONLY romance travel event that NEVER HOSTS agents!** We require our members to pay their own way to the conference – so you'll know they're serious about meeting with you!

Iberostar Hotels & Resorts will host DWHSA's 2026 conference at its Rose Hall Beach complex near Montego Bay, Jamaica.

Stay with us.

Our headquarters for the 2026 Romance Travel University will be the Selection and Waves resorts at **Iberostar Rose Hall Beach** in Jamaica.

Built on the site of a famed Jamaica sugar cane plantation, Iberostar Rose Hall Beach sits just 15 minutes from the Montego Bay airport (MBJ).

As suppliers/DMOs, **you'll stay with us in the Selection family-friendly property** (319 rooms with whirlpool tubs, balconies/terraces, minibars,

and room service - plus access to 7 restaurants, 6 bars, the on-site spa, and more). All conference events are scheduled for meeting spaces within Selection.

Selection underwent extensive renovations in late 2024, and the entire Rose Hall Beach complex reopened in December 2025 after repairs from Hurricane Melissa. We're eager to take DWHSA there to support Jamaica's recovery from the storm!

Take the leap in 2026.

Let's be honest: Pricing for suppliers and DMOs to attend travel agent shows has gone through the roof! That's why - as an agent-run group - **we've adopted fully transparent pricing for 2026:** three nights' lodging (USD\$966 single/\$1,098 double) plus \$495 for DMOs and \$995 for suppliers. We want to make DWHSA's conference very affordable for as many partners as possible!
