Please explain why this person should be recognized for this honor. Share specific examples of the nominee's work and the impact on fellow advisors and the travel industry and the public at large. The more information you can share, the clearer picture the judges will have of your nominee's qualifications to be selected!

I first came across Marcie in a Facebook group. She had designed a class to completely revamp how to do the sales process with clarity, absolute honesty in a way that helped me streamline my process and increase my sales. Since then I have been a loyal follower because Marcie tells you the truth, doesn't hold back. But most importantly, she helps EVERYBODY. She is super active on her now 3 different Facebook groups. She doesn't hold back with her opinions but does it in a way that it is clear and concise for everybody to understand. Marcie has thorough knowledge of the industry because she still runs her own travel agency but never turns down anybody who seeks assistance. Her followers increased from a few hundred in the beginning stages to several thousand advisors. She is a fresh breath of air in this industry, tells you how it is but always has suggestions on how to improve yourself and a situation. Marcie truly wants travel advisors to succeed and have booming business. I admire I commitment to the industry, her selfless advice, her listening skills and her willingness to always pitch in without getting in return. All she is asking of us is to give more than we get out of her groups. She is a true example of giving as her many many loyal followers prove. I nominate Marcie!
