Mary Beth has created a program called Assistants That Work which has helped a countless number of travel advisors being able to regain their personal lives back and help grow their businesses. She teaches other travel advisors how to grow their agencies by hiring assistants and how to best get ready/be all set up to bring an assistant on. Personally her program has changed my business and my personal life. I've been able to combat burn out and run my agency so much better than I ever could have imagined. Mary Beth also as a past student of Will Medina's is truly changing travel advisors lives and I think she is a perfect example of what Will strived for - community over competition!
