Tami and her husband Lou spend countless hours teaching fellow agents how to be successful in this business. They break things down so they are easy to understand and achieve. They really care about the people on their team and want them to succeed. They don't make you feel like you have stupid questions or are bothering them with anything. My business has definitely taken a step in the right direction since I signed up for their course. They provide content for blogs and social media, they do retreats and zoom calls in addition to private coaching. I have no idea how they do it all.
